FLEET #34, FISHERS ISLAND SOUND, Conn. & R.I.

Fleet Champion for 1970 — Gerald R. Daly - #823 "ROMANCE"

Second place skipper — George P. Bates - #385 "BONANZA"

Third place skipper — Robert S. Jones - #1048 "FLYING HIGH"

We started our season in May with the 4th Annual Memorial Day Race, won by George Bates in "Bonanza", followed by Bob Jones in "Flying High". In June we held tune-up races and our regular series consisted of five races in July and five in August. In September we had an Around Fishers Island Race, also won by George Bates. We finished the season in October by dividing the fleet into two groups for a team race, after which we all gathered; the winning team to drink champagne and the losing team to drink beer.
