1983 was another excellent year of racing for Fleet 34. Considering the high level of competition, the only real surprise was to finish the Season Championship with the same three sailors in the same positions as last year.

Again, major contributions to the season's good racing were the race committees of the six yacht clubs on Fishers Island Sound that run our races.

Fleet 34 is continuing its efforts to interest new Ensign skippers in racing, including non-spinnaker races. We are still working at the development of the right program.

Other trophies (in addition to the full season series) were awarded as follows:

<b>Memorial Day Race</b>	Bill Budding, <i>Aries</i> — 1154
<b>Early Series</b>	Bob Jones, <i>Flying High</i> — 1048
<b>Late Series</b>	Wes Maxwell, <i>Kite</i> — 1002
<b>Commodore's Race</b>	Al Moore's crew, <i>Nonchalant</i> — 789
<b>Around Fishers Island Race</b>	Bob Jones, <i>Flying High</i> — 1048
<b>Leuze Trophy Series</b>	John Macina, <i>La Chic</i> — 812
<b>Sportsmanship Award</b>	Sid and Sue Speed, <i>Amain</i> — 689

When the Sportsmanship Award is made, it is usually quite special. The award this year was to Sid and Sue Speed. In addition to providing the best in competition on the water, Sid has served for five years as Region II Commander, and Sue for many years served as Fleet 34 Secretary/Treasurer. Also, she served as Treasurer of the Ensign Class Association 1973-1974.

Following our season finale, the Around Fishers Island Race, last year's winner, Paul Smyth, hosted a cocktail party and buffet dinner. Two other dinners, in December and March at the Harborview Restaurant in Stonington, before the season began, were well attended and great fun.
