3 Ben Carpenter, SARI -- 1731

Fleet 34 met the challenge of Fleet 57 (88 Year Book) and with only one entry, Ben Carpenter, captured the Fall Series Chowder Bowl.

This end of the season series followed a fifteen race season, of which fourteen races were held. The Pre Season Memorial Day Race and the Post Season Around Fishers Island Race were cancelled due to high winds and NO wind.

We averaged eleven boats each race, the races being held at five different clubs. The series included three Invitationals -- Groton Long Point, Ram Island and Mason's Island.

Bob Jones won the Volvo Regatta and he and Jerry Daly represented Fleet 34 at the Ensign Nationals.

The Fleet remains happy and active with all event chronicles in a Weekly Newsletter sent to 31 members and 23 associate members.

Julie and Jack Maisch graciously hosted our Annual Awards Pot Luck in late October at which fourteen boats were represented.
