## 1990 Season

- 1 - George Bates, BONANZA — 385
- 2 - Benjamin Carpenter, SARI — 1731
- 3 - John Macina, LA CHIC — 812

Fleet 34 had another great season. In between a Memorial Day opener and a September Around Fishers Island race, 14 out of 15 season races were held. The Fleet averaged 10+ boats on each starting line, with 16 boats out one lovely day. Sixteen weekly newsletters went out to 58 members and associates. George Bates won the Memorial Day Race and Jerry Daly won the Fishers Island Finale. The Early Series and Late Series were won by Ben Carpenter, but when the math was done, George Bates had won the season. Our races were hosted by four different Yacht Clubs; Wadawanuck in Stonington, Masons Island in Mystic, Groton Long Point and Thames Yacht Club in New London. The highlight of the season was the Regional Regatta hosted by Fleet 57 at Thames. There were 17 boats and the weather cooperated for five good races. Larry Shea with a win in the last race won the series. George Bates came in second. Two boats and three skippers went to the Nationals.

Eleanor and Al Smith NERIO 156 were awarded a citation naming him Honorary Lifetime Commodore and they were cheered for their long association with the fleet. Other trophies awarded were the Sportsman Trophy to Doug Johnson and the Leuze Trophy to Bill Jones.
